## **IDEAL INTERNATIONAL POWER TOOLS PVT. LTD**

Established in 1997 as a hand and electric power tools sales and repair company, Ideal Power Tools (hereinafter referred to as 'Ideal') has grown to become India's go-to brand for power tools equipment and accessories.

The principal activities of Ideal Power Tools are to carry out business as a wholesaler and supply all power tools and its related spares and accessories to our end users. We have established a strong network with our Authorised Distributors throughout the Indian market and numerous countries in Africa, the Middle East, and Southeast Asia. To meet an even broader range of needs the company offers a comprehensive array of power tools ranging from DIY gardening tools to professional construction tools.

## **TRUSTED AND RELIABLE**

The unsurpassed quality and reliability of these power tools and other products are made possible by Ideal's strong R&D capabilities and commitment to providing high-performance tools. This has earned Ideal products the trust of customers not only in India but also in numerous African and Middle Eastern countries. The growing international presence is a testament to Ideal's products, services, and capabilities.
